This activity has been organised in support of BBC Children in Need. Please contact the organiser for further information.

The exclusive Zizo coffee table by Tom Lewis

Press Release - 10th November 2008

Exclusive Art for Children In Need

Renowned graffiti artist Tom Lewis created an exclusive example of applied graffiti art this weekend at Selfridges.

The painstaking process involved the use of a prestigious Zizo coffee table and "defacing it in the name of art"! It took Tom two whole days to complete.

This table can now be yours!

By pledging your bid with Soo on 01245 493 100 you can own this exceptional work of art, and raise money for Children In Need at the same time.

You can also email your bid to soo@parkart.co.uk

The bidding will close on Friday morning and the winner will be announced that afternoon.

Understandably, with the combination of such a worthwhile cause and a renowned artist we have been swamped with bids since Saturday afternoon, but we will keep going to raise as much money as we possibly can!

Help us now by calling Soo on 01245 493 100!

ENDS.
